Dodge Grand Caravan SE and SXT VMI Northstar® Conversion with *Access360*®

The Dodge Grand Caravan SE and SXT accessible minivans deliver both space and style with generous headroom, more floor length and a top-rated design. The ramp is stowed below the floor, offering a clean, obstacle-free interior and greater safety in the event of a collision. The SXT model is the only van that offers the option of rear entry.

- In-floor ramp system
- 360 degree access inside
- Obstruction-free doorway
- PowerKneel®
- Front and mid-row access
- One-touch controls
- Step flares
- Rear bench footrests
- Integrated cup holders
- Sure Deploy®
- 30" wide ramp with 1000 lb weight capacity
- Seat flexibility
- And more
