VMI's 3 Ramp Conversion Types

Northstar® Power In-Floor

- Ramp is stowed under the floor to allow an unobstructed doorway, more space for wheelchair maneuverability, and a clean, uncluttered interior
- Wide ramp with high weight capacity

Summit™ Power Fold-Out

- Traditional fold-out ramp for those who prefer a ramp with higher side rails
- Budget-friendly alternative for those needing a full-power conversion

Northstar E™ Manual In-Floor

- Easy manual ramp operation
- Optional mid-row seating* and removable front passenger seat allows caregiver to sit by wheelchair user
- Low cost & minimal maintenance

*Mid-row seating not available on the Honda Pilot
